= S.T.E.M. CLUB

design • construct • launch • explore • electrify • destroy

In STEM Club, we combine science and technology in order to build and solve hands-on challenges.

Meetings are held every Wednesday after school from 2:30 - 4:00 starting on September 23rd, until our party on March 9, 2016. We meet in the Tech Lab (Room 1207). STEM Club is open to all grades and is sponsored by Mr. Elman. Students should be picked up at the front entrance at 4:00.

New members are always welcome!

Turn the bottom half of this in to Mr. Elman at the next meeting or anytime before.

Mr. Elman is available for questions at 336-2108 ext. 1207 or delman@d56.org

Detach here. Keep the top portion and return the bottom at the next meeting.

I understand that my child, _____ is joining
STEM Club and he/she is subject to Viking Middle School eligibility rules.

He/she will:

- walk/bike home after meetings
- be picked up promptly at 4:00 after meetings at the front entrance.
